Train Travel

Train travel in Vietnam is very basic and train cleanliness is often not a priority for train staff. Sleeper trains normally have 4 seats per compartment, which convert into sleeping bunks (two upper and two lower). A sheet, pillow and blanket are provided, although many people prefer to bring their own sleeping sheet. At times, passengers of different genders may be required to share a sleeper train berth and/or share a compartment with people not travelling in your group. For short distance - 3 hours (as Hue to Danang or vv), you will do the trip on soft/hard seat carriage.

Simple food is available on the train but many people like to stock up on freshly baked bread, cheese and fruit prior to departure. Water should also be bought before the journey.

Train journeys in Vietnam are an experience and allow you to get a real taste of Vietnam.

Airport transfers

All airport transfers are included in the tour price. You should provide us your arrival/departure flight details and we will arrange things basing on the information. A meeting sign with your name and all flight details will be sent to you. Please be ready at the lobby at pointed time for pickup.

Travel insurance

Travel insurance is not included in our tour price. When travelling with us, you are suggested to buy insurance that covers all medical coverage, cancellation, personal liability, curtailment and loss of luggage and personal effects.

Trip Specific Safety

We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes which is the most secure way of storing your valuables. A lock is recommended for securing your luggage.

Be aware that petty theft can be an issue in some towns and cities especially late at night. A common tactic is opportunists on motorbikes that drive by and snatch bags. Please always leave valuables and passports etc in your hotel in safety boxes if available and only carry with you enough cash to spend for the day. Bags should always be carried over the neck and not left to sit on your shoulder.

Warming

Please do not buy gems unless you know what you are doing. Even if genuine you should not expect to be able to sell them at home. If you fall victim to a gem scam, we are unable to assist you.

Visas and Entry Requirements

Please note that visas for Vietnam, Cambodia and Laos are the responsibility of the individual traveller. The visa requirements for your trip vary depending on where you are from and where you are going. For the most up to date information please check your Governments Foreign Ministry website or with your travel agent as rules do change.

CAMBODIA - Visas can be obtained at the Cambodian border or Siem Reap Airport for approx. \$35 USD very easily. Please have *at least* 2 passport photos with you as well.

VIETNAM - As of March 2017, a select 80 nationalities are now eligible to enter Vietnam with an E-Visa. Please contact your Foreign Ministry or Vietnamese consulate to see if your nationality is eligible. Please note that you should ONLY apply for a Vietnam E-Visa if you are entering Vietnam by international airport - either Noi Bai International Airport (Hanoi) or Tan Son Nhat International Airport (Ho Chi Minh City).

If you are entering Vietnam by land border, please apply for a regular visa for Vietnam. Many of the land borders we travel through do not accept the Vietnam E-Visa. Please view this link to apply E-Visa: <https://evisa.xuatnhapcanh.gov.vn/web/guest/trang-chu-ttdt>

We will help you apply an approval letter for visa on arrival if you enter Vietnam through international airports. You will have to pay for stamping fees to the custom at the airport. View how visa on arrival works through this link:

LAOS - Visas are issued upon arrival in Laos. You will need two passport size photographs and approx \$35. Tourists are generally admitted to Laos for 15 days with a visa on arrival or for 30 days with a visa issued at a Lao embassy. Please bring visa photos with you.

Please be aware that you will require four clean pages (minimum) in your passport and at least six months validity.

Tipping

It is customary in Asia to tip service providers such as waiters, at approximately 10%, depending on the service. Tipping is expected - though not compulsory - and shows an expression of satisfaction with the people who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. There are several times during the trip where there is opportunity to tip the local guides or drivers we use. Recommendations for tipping drivers and local guides would range from \$3-\$5 USD per person per day depending on the quality and length of the service.

Electricity

Indochina Countries use 220V, and a mixture of flat 2-pin, round 2-pin or 3 pin plugs. It is recommended to bring a universal plug adapter.
